

International Conference on the Physics of Semiconductors 2022

26 June-1 July 2022 ● International Convention Centre, Sydney

POSTPONEMENT FAQ

1. What are the new dates?

The Conference will be held at the **same venue**, the International Convention Centre Sydney from **Sunday 26 June - Friday 1 July 2022**.

2. Is my registration valid for the new dates in June 2022?

All current registrations along with additional registration elements (social function and tour tickets) will be automatically transferred to the new dates.

3. Unfortunately, I will not be able to attend the Conference in June 2022, can I be reimbursed?

Registrations for the Conference are transferrable. Alternatively, full refunds will be provided to those delegates unable to attend. Cancellations must be notified in writing to the Conference Managers by emailing icps2020@arinex.com.au.

4. What should I do with my travel and hotel booking?

If you arranged your hotel booking through the Conference website, you should have received an email from us about your booking notifying you that your booking dates have been moved across to the new dates. Any deposits paid will be transferred to the new dates and our team are working hard with all accommodation providers to secure the same or similar nightly rates for the new dates. If you did not receive this email, please [contact us](#). If you managed your travel and/or hotel arrangements personally, please contact the travel provider and hotel to transfer your bookings to the new dates.

5. Hotel or travel provider did not accept to reschedule or reimburse my booking for free, will the Conference reimburse me?

The Organising Committee and Conference Managers are not responsible for financial engagements taken by third parties. The travel restrictions caused by COVID-19 resulted in the postponement of the Conference to June 2022 in order to guarantee the wellbeing and safety of all delegates, staff and suppliers involved in this event.

6. The new Conference dates are June 2022, will my VISA be still valid in those dates?

Please check the validity dates on your VISA, unfortunately you may be required to apply for a new VISA.

7. I have a presentation scheduled during the Conference, what will happen with it?

We are still committed to delivering an informative and engaging scientific program and are eager to still include you within the program. Therefore, the scientific program will not be subject to major changes. However, if you are not available to present during the new dates, please [contact us](#).

International Conference on the Physics of Semiconductors 2022

26 June-1 July 2022 ● International Convention Centre, Sydney

8. Can I modify my abstract before the new Conference dates?

To confirm, you will be able to modify or resubmit your abstract from June 2021. The submission portal will reopen to accept new abstracts from Monday 14 June – Monday 11 October 2021. Guidelines on this will be available closer to the month.

9. I booked a tour through the Conference website, what will happen with it?

If the tour was part of the online registration form, your ticket is valid in the new dates. If you booked Bridge Climb Sydney, Tastings in the Hunter Valley or Blue Mountains Wildlife Day, please get in touch with the agency that is managing the tours in Sydney Australia.
